Victoria Squash Rotterdam

At Victoria we love squash. Squash has been played on Victoria Squash courts for over 80 years by young and old at all levels: from recreational players to top athletes.

Squash is a very dynamic sport and an ideal sport to get and stay in excellent shape. At Victoria you play and experience quality squash in a sporty environment where the family feeling is central.

You can play squash at Victoria with your own squash partner, in a competition in an internal ladder or in a team in the national SBN competition. It is also possible to train individually or in groups with one of our club trainers.

Victoria Squash offers top level entertainment. The best players of international level are included in the premier league teams, which guarantees top matches.

Youth is an important pillar within the club at Victoria Squash. We strive to promote squash through training, tournaments and social activities. Youth players regularly break through to the top of squash in the Netherlands.
